

1 CORINTHIANS

Living a carnal life inhibits the deep relationship Jesus gave.

- Be unified in the wisdom and power of God
- The power of the cross of Jesus Christ glorying in the Lord
- The wisdom that has not entered into man's heart
- We have no reason to have pride
- We have received everything we possess
- The freedom by grace is not to be used to distract others
- Keep "The Lord's Supper" with holiness
- God gives different gifts to equip the Body of Christ
- All of the gifts are worthless without love
