

# 1 TIMOTHY

## Set up the church in Ephesus

- Teach no other doctrine than what you've received
- The end of the commandments is love in action with a pure heart
- The Law is for sinners and Jesus Christ came into the world to save sinners
- Some have put faith away and suffered shipwreck
- Pray for all people for there is one God and one Mediator
- Bishop and deacon requirements
- Great is the mystery of godliness
- Exercise profits little and godliness is profitable for all things
- Meditate on godliness and save yourself and those who hear you
- Rules of supplying needs and work ethics and defines a widow
- Have no partiality for people in the church
- Withdraw from those who think gain is godliness for the love of money is the root of all evil
- Keep the commandments without spot and to Jesus be honor and glory
