

1 Thessalonians

Walk orderly increasing in faith knowing the day of the Lord comes as a thief in the night

- Put on the breast plate of faith and love and the helmet of the hope of salvation
- Follow us and God and be examples to those around you
- Walk worthy of His calling accepting His word
- The Thessalonians suffering for Christ was known
- Work with your hands
- Those who sleep in the Lord will be taken up first
- Know those whom you labor amongst esteeming those who are over you
- Faithful is He who calls you who will also do it
- Read this letter to all the Holy brothers
