James

God gives the Way to have His wisdom and be doers of the Word by faith

- See yourself in the scriptures
- Love people with sincerity
- Praise God by faith coming through your mouths
- Be united and seek peace humbly
- Pray in agreement with Him as He lifts you up
- His patience is our patience
- Rich men go and weep; for, you have killed the just
- Let the sick call for the elders to receive anointing with oil and prayers
- The effectual fervent prayers of a righteous man avails much
- God is merciful to turn the ungodly to Himself
