

1 PETER

God has recreated His children by Jesus and set them apart from the world

- God's elect are cleansed and holy through faith in Him
- His people should experience their journey in the fear of the Lord
- Jesus was ordained before the foundation of the world
- Love God and people
- Life is short on earth, but the being is eternal
- Jesus is the Saviour to some and a stumbling block to others
- Live humbly and do good
- God is for the good and against the evil
- Cast all your cares on Him: since He cares for you
